MORNING MEETING ACTION ITEMS

TO : DDS

Bannerman briefed on the results of interviewing our  summer employees with respect to their attitudes toward the Agency and their disposition toward the Agency as a career. In general he noted that the results of the survey were favorable. The Director asked if we were to undertake this program again next summer. DDS explained that it is planned to launch the program again with dependents of employees under official or nominal official cover excluded. The Director indicated that he wished to review this decision. (Following the meeting the Executive Director asked that information be conveyed to the DDS requesting that the DDS raise this matter again in sufficient time to avoid any inconvenience to employee dependents growing out of a conflict with CSC testing.)

The Director noted Blandford's request of Maury to find rather immediate employment here for  The Director asked the DDS to follow the normal procedure, but utilize a senior staff member as the interviewer and take other appropriate steps to insure that this case is handled in a highly professional manner.
